JOURNAL ACCREDITATION

2023-03-28

Based on the results of the Scientific Journal Accreditation Period IV of 2022 and the issuance of the Decree of the Director-General of Research Strengthening and Development of the Ministry of Research, Technology and Higher Education Number 0187/E5.3/HM.01.00/2023, dated Marct 12, 2023, JURNAL KESEHATAN TAMBUSAI is listed as the Grade 5 (Sinta 5) Journal. We are delighted with the result and acknowledge all parties involved in making this possible, University of Pahlawan Tuanku Tambusai, the authors, the reviewers, the editors, and other parties using our articles, including citing our published articles in their papers, and last but not least the Arjuna's reviewers. We can not thank you enough. Such an achievement made possible by our editors, reviewers, authors, and readers. We are incredibly grateful for your confidence in publishing your best papers with us. Again, thank you [Read More](#) ➤
