Dear Authors,

Thank you for your effort. You provide a link to the list of References in this way: (IPCC, 2022)

But in the Reference there is no entry starting with „IPCC“. Are we correct that it is this entry which is a counterpart to (IPCC, 2022)? :

The Summary for Policymakers of the IPCC Working Group III report. (2022) Climate Change 2022: Mitigation of climate change.

Please correct:

IPCC (The Intergovernmental Panel on Climate Change) (2022). The Summary for Policymakers of the IPCC Working Group III report. Climate Change 2022: Mitigation of climate change. Available at: add the Internet link

Since your article has been accepted for publication, we would like to issue an invoice for the publication of the article. Please provide us the following information:
