Dr Nany Hairunisa:

We have reached a decision regarding your submission to Livestock and Animal Research, "Characteristics of Animal Housing and Management for Medical Research on Rodent".

Our decision is: Revisions Required

Your manuscript should be revised and resubmitted soon. If you do not upload the revised version by 7 (seven) days after received this notification, your submission will be rejected without notice.

If additional time is required, you must contact the editorial office as soon as possible.

All changes (revisions) in the manuscript should be highlighted by blue color. In addition, revised manuscript should be submitted along with rebuttal of reviewers' comments or response letter. The template of response letter can be downloaded at [www.bit.ly/ResponseLetterLAR](http://www.bit.ly/ResponseLetterLAR).

Please do not reply to this e-mail message. If you have comments or questions, please use the contact information below.

If this email is in the spam folder, please classify this email as non-spam to receive other emails safely.
