# Masterclass in Infectious Diseases Summit Programme (MISP)

YOGYAKARTA EDITION

Precision Redefined: Optimizing Risk Assessment, Diagnostic Accuracy and Treatment Efficacy for Infections

Dear Doctors,

Join us for an engaging 2-day meeting where we'll explore the latest breakthroughs in diagnosing and managing challenging bacterial and fungal infections. Connect with key opinion leaders from Malaysia, Indonesia, Singapore and the Philippines as we dive into insightful lectures and interactive fireside chats. This is your chance to deepen your understanding and have all your questions answered!

We look forward to welcoming you!
