Natasha Pangestu\_RSUD... to Everyone 11:14

NP Izin bertanya lagi dok. Bila sebagian kultur dikerjakan sendiri, sebagian lainnya dikirim ke lab rujukan, bagaimana utk pembuatan pola kumannya, apakah dipisah atau dijadikan satu, karena list antibiotic untuk uji resistensinya beda. terima kasih

Debby\_RSUD dr. Soedira... to Everyone 11:19

DD Dok, data pola kuman baiknya semua hasil kultur yang masuk atau hanya data kultur untuk pasien infeksi yang belum mendapatkan antibiotik empirik
