Mohon maaf sebelumnya panitia, saya menggunakan bahasa Indonesia untuk memudahkan komunikasi. Ya benar panitia kemarin saya memang mensubmit paper kembali dengan judul yang sama. Hal tersebut saya lakukan karena ingin menambahkan jumlah penulis pada paper tersebut, namun tidak ada perintah edit, adanya hanya diskusi di kolom komentar, sudah saya coba diskusi dan ingin mengubah paper yang baru namun tidak bisa, oleh karena itu saya lakukan submit ulang sehingga seolah-olah saya mensubmit dua kali padahal dengan tujuan hanya ingin melakukan revisi terhadap jumlah penulis. Itu bagaimana ya panitia? Mohon penjelasannya. Terima kasih

Dear Authors,

I hope this e-mail finds you well. Thank you for choosing **ICOMEET** 2023 & AIP Conference Proceedings to publish your volume. We have finished reviewing your proceedings material and require your assistance with two tasks so that we can move forward with production. Please note that it is the responsibility of the Editor to review and ensure that the material is compiled, and the articles and copyrights completed correctly based upon the instructions, before sending to AIP Conference Proceedings for publication. Per the signed contract (section B6), Editors shall not exceed two rounds of replacement files during the quality check process and articles submitted with errors after 2 rounds will be withdrawn. To expedite the publication of your volume, please return your replacements by **September 4, 2024**.

REPLACEMENTS

The attached Excel worksheet details our request for corrections. Please collect revised articles and/or copyrights from the authors and upload to the link below.

Authors should review their papers, after edits have been made, to ensure that they still follow the AIPP guidelines. In particular, the layout of the paper may be affected if margins have been changed and/or table and figure placement adjusted.

HOW TO UPLOAD REPLACEMENTS AND COPYRIGHT FORMS

You should upload your replacement files and copyright forms in this link.
