Dear Rina RF Fitriana

Thank you for your submission of the paper entitled "THE SUPPORT VECTOR REGRESSION METHOD WITH THE GRID SEARCH ALGORITHM IN FORECASTING SALES OF MILK PRODUCT" (Paper ID 5) to the 7th International Manufacturing Engineering Conference and the 6th Asia Pacific Conference on Manufacturing Systems (IMEC-APCOMS 2024). Based on the reviewer's remarks, we are pleased to inform you that your submission has been ACCEPTED to be published in Springer's Lecture Notes in Mechanical Engineering (LNME), subject to adequately addressing the reviewers' comments and suggestions. You can view the reviewer comments by login into CNT under the author console.

Please fill in the Answer to Reviewers' Comments Form (<https://bit.ly/3yaf7ub>) stating your response to the reviewers' comments. Please ensure that the similarity index of the final submission of your manuscript is less than 25%. Failure to adequately address the comments from reviewers and ensure that the similarity index is less than 25% may result in your manuscript being NOT INCLUDED in the proceedings. Please also ensure that your manuscript is not longer than 10 pages, as outlined in the guideline of submission.

You may make the payment for the IMEC-APCOMS 2024 registration through the following links: <https://payment.um.edu.my/eng/cfpw-ispaction-email@um.edu.my> no later than the 30th of August 2024. In the payment information, select payment type as "Conference Fee" and remark as "IMEC-APCOMS 2024 Conference Fee: Paper<paper ID>". The registration fees required for the manuscript are RM900 for STUDENT, RM 1200.00 for LOCAL participants, and US\$300.00 for INTERNATIONAL participants. \*Please kindly register ONE PAPER AT A TIME. Payment also needs to be made separately for each paper.\*

Upon successfully making the payment, complete your registration by filling in the Registration Form (<https://forms.gle/AFm8z5zXMK0m6>) by attaching the following items latest by the 30th August 2024:

1. Answer to Reviewers' Comments Form (.docx/doc) - Rename as Response\_paper ID.docx.
2. Figure Files (.TIF format only) - Specify each figure as "Fig<figure number>.tif".
3. Camera Ready Manuscript (Word File) (.docx or .doc) - Specify as "Paper\_paper ID.docx".
4. Camera Ready Manuscript (PDF File) (.pdf) - Specify as "Paper\_paper ID.pdf".
5. Proof of Payment (The proof of payment document with the following name, "IMEC-APCOMS 2024\_fee\_paper ID").

Note that one of the authors MUST need to present the paper at the conference for it to be published in the proceedings. For any inquiries, kindly email to [imec@um.edu.my](mailto:imec@um.edu.my).

Thank you. We look forward to welcoming you at IMEC-APCOMS 2024.

Dear Dr.Prof. Rina Fitriana,

I am happy to inform you on behalf of Springer that the page proofs of your Springer title **The Support Vector Regression Method with the Grid Search Algorithm in Forecasting Sales of Milk Product** are now available.

Please note that any changes at this stage are limited to typographical errors and serious errors regarding content. If the figures were converted to black and white, please check that their quality is satisfactory and that all references to color in any text discussing the figures are changed accordingly. If you feel that the quality of some figures is inadequate, please send us an improved grayscale figure.

We have introduced a new online correction system, which allows you to directly incorporate your corrections, eliminating any misunderstandings as a result of misinterpreted handwritten corrections, and thus ensuring that publication of the book is not delayed as a result of additional correction procedures.
