Hello Dr. Kholinne

Congratulations – your article: The Feasibility of Robotic Navigation in Single Position Oblique Lateral Spine Surgery. A Technical Note and A Retrospective Study, by Erica Kholinne, Mitchel Mitchel, Karina Sylvana Gani, Syafruddin Husin, Harmantya Mahadhipta, Phedy Phedy, Omar Luthfi, Ajiantoro Ajiantoro, Luthfi Gatam, Asrafi Rizki Gatam, has now been published in Frontiers in Surgery.

As your article is open access, it's available to readers anywhere in the world. You can see it for yourself (and share it with your network) using this link: <https://www.frontiersin.org/articles/10.3389/fsurg.2025.1582889>

Please let us know about your authoring experience via a 3-minutes survey so we can better meet scientists' expectations for future submissions:

https://frontiersin.qualtrics.com/jfe/form/SV_9otESMXKfUOvt?ArticleID=1582889&LoopID=2841157&RoleID=17&JournalName=Frontiers%20in%20Surgery&SectionName=Neurosurgery&CountryName=Indonesia&FieldName=Surgery&ArticleType=Original%20Research&Typesetter=Typesetter%204&TransferredArticle=No

To track the impact of your research, take a look at our article and author impact metrics. They include citations, views, and downloads, as well as the social media attention your article receives.

And if you haven't already, updating your Loop profile can maximize your readership. Authors with fully populated profiles receive 4X more profile views and 6X more publication views.

Once again, congratulations. Your contribution really opens up your field for the entire world. We look forward to your future submissions.

We genuinely appreciate your contribution to open science and are eager to see more of your ground-breaking work. We'd be thrilled to support your future research by welcoming your next manuscript for submission.

Thank you for considering us again!

Thank you,

Frontiers in Surgery Production Office
