after carefully reading the revised manuscript , we found that some information needs to be provided to enhance the readers' understanding, particularly regarding the detailed information about the measurement, data analyses and little information about the result. Please check the attached document.

To avoid a delay in publication, we recommend you revise the manuscript and send it back to us within a week.

Please let us know shall you have any questions regarding that.

Looking forward to receiving your submission.

Kind Regards,

Arini Widyowati

Dear: Dr. Netania Emilisa, Dr. Sarah, Dr. Nico, Dr. Lidia, Dr. Dietce:

We received your revised manuscript, "The Influence of AI Awareness Dimension on Sustainable Employability: Study from Gen X Employees in Jakarta" and have carefully reviewed it.

We are pleased to inform you that we are accepting this version of your manuscript for publication in **Humanitas**. Congratulations!

You will receive a separate e-mail that will provide instructions to review the copy editing result and author declaration. If you do not receive this message, please notify us.

In closing, I want to commend you for your work and for the revisions that you have made to your manuscript. I think you've developed a final product that will make a very nice contribution to the psychological literature.

I am delighted to accept this manuscript for publication in **Humanitas** and hope that you consider submitting future work to the journal for consideration.

If you have any questions, please do not hesitate to contact me.

Kind Regards

Arini Widyowati
