Subject: Letter of Acceptance – 3<sup>rd</sup> IEOM Asia Pacific Malaysia Conference

ID 211: QUALITY IMPROVEMENT AND WASTE MINIMIZATION IN THE PRODUCTION PROCESS OF 450 MM JACKING PIPE USING THE LEAN SIX SIGMA METHOD

Dear Authors:

On behalf of the organizing committee, we are delighted to inform you that your paper has been accepted for oral presentation and publication at the 3<sup>rd</sup> Asia Pacific International Conference on Industrial Engineering and Operations Management in Johor Bahru, Malaysia during September 13-15, 2022. Host is Universiti Teknologi Malaysia (UTM), and Co-Host is Universitas Sebelas Maret (UNS), Indonesia. The conference provides a forum for academics, researchers, and practitioners to exchange ideas and recent developments in the field of industrial engineering, systems engineering, service engineering, manufacturing engineering, quality and reliability reengineering, operations research, engineering management, operations management, and operations excellence. The event will advance theory and practice by fostering networking, collaboration, and joint effort among the conference participants. Proceeding papers (double peer review) will be indexed in Google Scholar and EBSCO.

IEOM Society has become a premier international platform and forum for academics, researchers, scientists, and practitioners to exchange ideas and provide insights into the latest developments and advancements in the fields of Industrial Engineering and Operations Management. IEOM has successfully organized international conferences in Dhaka (2010), Kuala Lumpur (2011), Istanbul (2012), Bali (2014), Dubai (2015), Orlando (2015), KL (2016), Detroit (2016), Rabat (2017), Bristol, UK (2017), Bogota (2017), Bandung (2018), Paris (2018), Washington DC (2018), Pretoria (2018), Bangkok (2019), Pilsen (2019), Toronto (2019), Riyadh (2019), Dubai (2020), Detroit (2020), Harare (2020), Singapore (2021), Sao Paulo (2021), Haiti (2021), Harbin (2021), Bangalore (2021), Surakarta (2021), Monterrey (2021), Istanbul (2022), and Nigeria (2022).

IEOM is expecting another exciting event in Malaysia. Some of the events and activities that are planned include: outstanding keynote speakers, global engineering education speakers, global supply chain & logistics, Industry 4.0, industry solutions, undergraduate and graduate student paper competitions, senior design competition and awards.

You will see the IEOM 2022 AP Malaysia Conference as a great value-added event. Your participation is highly appreciated. If you have any question, please contact Dr. Taufiq Islam, Operations Manager at [info@ieomsociety.org](mailto:info@ieomsociety.org).

We look forward to seeing you at the 2022 IEOM AP Malaysia Conference.

## Welcome to the 3rd Asia Pacific **IEOM** Conference in Johor Bahru, Malaysia

To All Conference Attendees:

On behalf of the **IEOM** Society International and its Global Council, we would like to welcome you to the 3rd Asia Pacific Conference on Industrial Engineering and Operations Management. This unique international conference provides a forum for academics, researchers, and practitioners from many industries to exchange ideas and share recent developments in the field of industrial engineering and operations management. This diverse international event provides an opportunity to collaborate and advance the theory and practice of major trends in industrial engineering and operations management. The theme of the conference is "Industrial Engineering and Operations Management for Industry 4.0". The program includes many cutting-edge topics in industrial engineering and operations management.

The **IEOM** Society acknowledges and thanks the hosts of this event, Universiti Teknologi Malaysia (UTM) and Universitas Sebelas Maret (UNS), Indonesia. The Organizing and Planning Committee of this conference was outstanding. The conference is chaired by Dr. Jafri Mohd. Rohani, Associate Professor, Materials, Manufacturing & Industrial Engineering, School of Mechanical Engineering, Faculty of Engineering, Universiti Teknologi Malaysia, and Dr. Ir. Wahyudi Sutopo, ST., M.Si, IPM, Professor, Department of Industrial Engineering, Universitas Sebelas Maret (UNS), Indonesia and President, **IEOM** Indonesia Chapter & Director, **IEOM** Asia Pacific Operations. Dr. Supoto is a member of the **IEOM** Society Global Council.

The conference Organizing and Planning Committee has brought together outstanding keynote speakers for the event. The conference will feature many of the issues concerning the continuous improvement of quality and service. Our keynote speakers will address some of these issues:

- Dr Elsayed A. Elsayed, Distinguished Professor, Rutgers University, New Jersey, USA
  - Dr Muhamad Nurjayadi Tamam, Director, Malaysia Productivity Corporation, Malaysia
  - Dr Wawan Dhewanto, Professor of Entrepreneurship, Institut Teknologi Bandung, Indonesia
  - Casey Ang, Founder, Lenoxcells Consulting, Malaysia
  - Duc Truong Pham, Chance Chair of Engineering, University of Birmingham, UK
  - Dr Mohd Azman Idris, Senior General Manager, SIRIM STS Sdn Bhd, Malaysia
  - Dr Mohamad Sattar Rasu, Chairman of STEM Enculturation Center, Universiti Kebangsaan Malaysia
  - Dr Muhamad Nizam, Professor, Sebelas Maret University, Indonesia
  - Prof Kerstin Johansen, Senior Associate Professor, Jonkoping University, Sweden
  - Paul Odomiok, President and CEO, Performance Excellence Associates, Florida, USA
  - Nigel Grigg, Professor of Quality Systems, Massey University, New Zealand
  - David Khaw, President, Project Management Institute Malaysia Chapter, Malaysia
- 
- Dr Matloub Hussain, Professor of Operations and Supply Chain Management, University of Sharjah, UAE

Conference Program: <http://www.ieomsociety.org/program-malaysia2022.pdf>  
Malaysia Time Zone

### Information for Presenters:

Each presenter will share his or her PowerPoint presentation via zoom. All technical presenters have 12 minutes for their presentations and an additional 3 minutes for questions and answers. Keynote presentation is for 40 min: 30 min for presentation and 10 min for Q&A. Global engineering education, industry solutions, and global business management education presentations will have 20 min for each presentation. Presenters should join their assigned room a few minutes before the start of the session. Doing so will allow time to communicate with the session chair. Please make sure that you have a good internet connection during the presentation. All presentation times are in the Malaysia time-zone. Please check the conference program to verify your local time. Take a screen shot as a proof of your presentation. Zoom hosts will also keep a track of who is presenting and who is not presenting. All papers must be presented via Zoom Links:

### Zoom Audio and Video

We request that the authors have their slides in a PowerPoint format ready to share on the Zoom screen. We strongly encourage participants to familiarize themselves with the Zoom platform, including muting, unmuting, sharing screens, raising a hand for a question, writing questions or comments in the chatroom, etc. All participants, except presenters, session chairs, and **IEOM** staff, will be muted. Please be aware there are always unexpected issues that arise and that are beyond our control. As this event is an international virtual conference, unforeseen problems may occur. We appreciate your patience and consideration.

The 3rd Asia Pacific Conference will continue to offer a special session on Global Engineering Education. This session will feature distinguished speakers who will discuss workforce readiness. Featured speakers will address engineering education challenges and opportunities. The Industry Solutions Track will address industry needs to survive in a highly competitive environment. This session will bring together distinguished practitioners who are dedicated to Industry 4.0 and will share their experiences in the implementation of the process.

The **IEOM** Society would like to express our deep appreciation to our sponsors, university partners, organization partners, exhibitors, authors, reviewers, keynote speakers, panelists, track chairs, advisors, the local committee, and the many volunteers who have given so much of their time and talent to make this unique international conference an overwhelmingly successful event.
